'Hercules' Star Kevin Sorbo Taps His Comedic Side Joins Romantic Comedy 'Three Times A Lady'

Los Angeles, CA ~ *The Hercules: The Legendary Journey* star is up for role in the romantic comedy *Three Times A Lady*. Actor *Muse Watson* is also tapped to star. The script was penned by co-writers *Darlene Lofgren* and *Barbara Kerr Condon*. *Condon* will also produce. *Lofgren* and *Barbara Kerr Condon* recently co-wrote *Just Desserts*.

We fell in thrall with Sorbo, first, in the phenomenally successful *Hercules: The Legendary Journeys*. Then again as Captain Dylan Hunt in the hit series *Gene Roddenberry's Andromeda*, making him an international star. His leap to the big screen came in another cult classic, *Kull, The Conqueror*. Sorbo has reinvented himself many times by taking on a multitude of different characters in feature films, Lifetime and Syfy movies and television appearances over the years.

Sorbo recently completed *Julia X*, a 3D psychological thriller due in theaters in November 2010, *Soul Surfer*, with Dennis Quaid, Helen Hunt and Carrie Underwood. *Surfer* is based on the life of Bethany Hamilton, the teen surfer who lost her arm in a shark attack and is scheduled to be released Fall 2010. Sorbo traveled to Malta to shoot an Italian/American financed feature called, *The Hit* due for release in February, 2011. *What If...* with Kristy Swanson and John Ratzenberger, scheduled for August 2010. *The King of Mykonos*, an Australian comedy was released down under in May 2010 and debuted as the number one movie in that country.

In *Three Times A Lady*, Sorbo plays Rev. Shepherd, a sincere man of God, who is the voice of reason after hearing a series of colossal misconceptions about a member of his congregation. With comedic timing, great lines and heavenly observation, his mission is to restore the truth.

"I like that a new twist is taken on a standard romantic comedy making the focus of this movie more circumstances," says Sorbo. "The humor in this film is universal. It gets you to laugh at the foibles of finding love later in life. I'm excited to be part of the cast!"
